

## STEC WL UG SERIES LOG GRAPPLE

STEC WL UG series wood grapples are suitable for 18-40 ton loader series. There are options available for both direct boom and ISO quick hitch attachments.

The inner heel of the wood grapple ensures excellent kinematics during operation. Grapples with and without an inner heel are available.

STEC wood grapples feature replaceable wear plates on the base plate and lower fork ends as consumable parts. Stec puiduhaaratsitel on tallaplaadid ja alumised kahvli otsad kuludetailidena vahetatavad.

MACHINE WEIGHT	PRODUCT CODE	VOLUME	LENGTH (A)	WIDTH (B)	HEIGHT (C)	WEIGHT	ATTACHMENT	
							Direct boom	S-Sandard
18-24 t	STEC WL UG 24	2.4 m <sup>3</sup>	1950	1600	1900	1900	yes	ISO 23727
18-24 t	STEC WL UG 24 H	2.4 m <sup>3</sup>	1950	1600	1900	2200	yes	ISO 23727
25-30 t	STEC WL UG 32	3.2 m <sup>3</sup>	2200	1750	2200	2700	yes	ISO 23727
